SUMMIT CLUB

Corporate/Business Membership Classification

I am applying for Corporate/Business Membership.**Note: All memberships include monthly dues and CCA fees. 8.25% tax will be incurred on The Summit Club member dues. The designee may be changed or terminated by the corporation/business at any time.

We provide two membership options for our corporate memberships. Please select which option you would like for your corporation/business.

Membership Billing Options:

◇ **Option A** - The corporation/business chooses to have all the designees under the same account and to be billed under one membership, in this case the company will be billed for all charges made by all the designees and will have a quarterly food and beverage minimum of \$90. (Form C-100A Required)

◇ **Option B** - The company may choose to have the primary member under one account and each designee to have their own account. In this case each designee will have their own membership account, and must fill out a separate corporate designee application. Each designee will be billed separately for their own \$40 dues, and are required to meet a quarterly food and beverage minimum of \$90 per individual designee. (Form C-100B Required)
This type of membership is an excellent benefit or perk that the corporation can offer its board members, executives, managers, or any other employees whom the corporation/business may choose to offer designee status to.

***Please indicate the membership Classification you choose: (please check one)

◇ Bronze - \$150.00/month
